The NCC of this Institution has a strong alumni base, most of them occupying coveted positions in many public services, educational, industrial, defense and research organizations all over the world. The NCC of our college has long record of meritorious contribution. NCC activities in our college remain at the centre and provide inspiration and enthusiasm among the students. At present, there is a one Unit in our college comprising of about 50 cadets who are actively indulging in all NCC activities to make our college and our Nation proud. The unit prepares the cadets for nation's service and protection. It inspires the cadets to serve the nation and trains them. The unit prepares the environment for the students to choose their career in Army and Defense sectors and paves the way for that.

With this noble mission, our college started N.C.C. unit in the year 1992 and M.D.Patel as its first coordinator. In the year 2015, Prof. R.T.Rajput took charge of the unit.

N.C.C History

The Unit possesses a very bright history in India. The NCC in India was formed with the National Cadet Corps Act of 1948. It was raised on 15 July . The National Cadet Corps can be considered as a successor of the University Officers Training Corps (UOTC) which was established by the British in 1942. During World War II, the UOTC never came up to the expectations set by the British. This led to the idea that some better schemes should be formed, which could train more young men in a better way, even during peace times. A committee headed by Pandit H.N. Kunzru recommended a

cadet organization to be established in schools and colleges at a national level. The National Cadet Corps Act was accepted by the Governor General and on 15 July 1948 the National Cadet Corps came into existence.

During the 1965 and 1971 wars with Pakistan, NCC cadets were the second line of defence. They organised camps to assist the ordinance factories, supplying arms and ammunition to the front, and also were used as patrol parties to capture the enemy paratroopers. The NCC cadets also worked hand in hand with the Civil Defence authorities and actively took part in rescue work and traffic control. After the 1965 and 1971 Indo-Pak wars the NCC syllabus was revised. Rather than just being the second line of defence, NCC syllabus laid a greater stress on developing qualities of leadership and Officer-like qualities. The military training which the NCC cadets received was reduced and greater importance was given to other areas like social service and youth-management.

N.C.C. Organisation

This is the general structure or organization system of NCC. The National Cadet Corps is headed by a Director General, an Army Officer of the rank of Lieutenant General, who is responsible for the functioning of the National Cadet Corps in the country through the National Cadet Corps Headquarters situated at Delhi. At the State Level, the country has been divided into 17 Directorates covering all States and Union Territories. Each of the State National Cadet Corps Directorate Headquarters controls two to fourteen Group Headquarters. While Directorates are commanded by Brigadiers or their equivalents, the Groups are commanded by Colonels or equivalents from the Air Force and the Navy, NCC Units are commanded by Major/Lieutenant Colonel or their equivalents.

NCC flag is very unique and it instills courage, confidence and bravery among cadets. NCC Flag Contains NCC Crest in gold in the middle, with the letters “NCC” encircled by a wreath of seventeen lotus with a background in Red, Blue and Light blue. The three colours symbolize three wings of Indian Army. Red depicts the Army, Deep Blue depicts the Navy and Light Blue depicts the Air Force. The seventeen lotuses represent the 17 State Directorates. “Unity of Discipline” (Ekta aur Anushasan) is written at the bottom of the NCC Flag.
