

Smt. K.K. Shah Arts & Smt. L.B. Gunjariya Commerce College, Thara

7.1.5 Green Campus Initiatives include

1. Restricted entry of automobiles
2. Battery powered vehicles
3. pedestrian-friendly pathway
4. Ban on the use of plastic
5. Landscaping with trees and plants

Response: The following practices are adopted by the Institution to maintain the campus green

Use of Public Transport:

As the college is located in Taluka place called Kankrej, which is the only educational destination surrounded by educationally, socially and economically backward villages with a majority of populace consisting of 85% to 90% belonging to SC/ ST / OBC classes. About 95% of students use public transport system. The remaining 03% students use motorbikes or bicycle as means of conveyance and the rest of the students come to the college by foot reducing the carbon print. More than half of the staff reside in Thara itself and come to the college by Bike and some teachers residing near the college come by foot. Rest of the teachers adopts carpooling system favoring low carbon emission.

Pedestrian Friendly Roads:

Vehicles are not permissible to halt near the vicinity of the college, making the roads pedestrian friendly. Parking facility is allotted for vehicles. The security at the entrance monitors the smooth functioning of the students movements apart from the CC TV surveillance. Taking this fact in mind, the students and other, Stake holders are requested to park their vehicle only in the parking Area.

Initiatives for Minimizing the use of paper.

- Most of the notices are announced through personal Announcement system.
- Many important messages and notices are circulated through SMS Alert system
- Office is connected with network LAN to share files
- Communication among the teachers and the office are accomplished through Whatsapp group, college app and emails, for speed, and better communication.

4. Plastic Free Campus

Management is dealing strictly to curb the plastic pollution in the campus. The use of plastic materials is strictly prohibited in the college premises. Any plastic disposables are to be thrown into the waste bins only so that they can be disposed of safely.

Green Landscaping:

Though the College is located in a scanty rainfall region, the institution proves its commitment and dedication to environment by its keen and careful maintenance of greenery on campus. Our college has a small garden with saplings of flowers and trees. The institution arranges Tree Plantation Programme every year.

Agenda

The IQAC, at the suggestion of Environment Committee, has convened this meeting to declare the "Plastic Free Campus" in a bid to spread awareness about the hazards of plastic and their ill effects on the environment.

Minutes

The Principal welcomed all the members. The Coordinator, Dr.H.L.Dave, introduced the agenda of the meeting and requested the members to consider the possibility of the proposal given by the environment committee.

Dr.R.R.Rohit explained about the importance of environment awareness and made the suggestion to declare the college campus "Plastic Free Campus."

Resolution

It was unanimously resolved that the college campus must be declared "Plastic Free Campus" to save environment.

Action Taken

The college campus is declared "Plastic Free Campus"

CIRCULAR

This is to inform all the faculty members and students of Smt.K.K.Shah Arts & Smt.L.B.Gunjariya Commerce College, Thara. As per the plastic ban on 9/7/2018 the college insist the use of stainless steel bottles instead of plastic ones in the campus in order to minimize its use.

The college will appreciate if instead of draining your bottles before leaving for home you could water the plants in the campus with your excess water in the bottles.
